

10-9-2020

Dear APC church family and friends,

As you are probably aware of by now, we have had people in our church community who have tested positive for COVID-19. Others who are experiencing symptoms are waiting for test results to come back.

We are trusting the Lord for the healing and safety of all. We will get through this, but as a precaution, we will be having our services online for the next 2 Sundays resuming services on October 25.

This week our guest speaker will be Rev. Lynn Spicer who is pastor of Faith Temple UPC in Dubuque, Iowa. He has a powerful message of faith and encouragement that he will share with the church. Make sure to join us at 2:00 on Sunday and consider hosting a watch party.

If you or any member of your family are experiencing symptoms of COVID, please make sure that you are tested and let us know.

There is no reason to fear this. We will get through it and come out stronger than ever before. We will be continuing our prayer shifts, so make sure you sign up for a prayer slot by visiting our Facebook page. Continue lifting up Bishop and Sister Lagow and others in prayer, that they will heal quickly.

Although we are not able to meet in the church building, just remember that you are the church! Keep your ongoing communication with the Lord consistent, and look for opportunities to share His Word and goodness as you allow Him to speak to you during this season.

Today's You Version Bible app scripture is from **Isaiah 26:4** "*Trust ye in the Lord forever: for in the Lord Jehovah is everlasting strength*"

Jesus is our hope, healer, and giver of perfect peace!

May you be richly blessed!

You are loved and appreciated!

Pastor Williams
