MONTHLY NEWSLETTER | NOVEMBER 2018

## LIVING A LIFE FILLED WITH THANKFULNESS

If we pause to think— we will have a cause to thank. Gratitude should not be an occasional incident, but a continuous attitude.

*Luke 17:16 “ and fell down on his face at his feet, giving him THANKS and he was a Samaritan.”*

A thankful heart enjoys the blessings twice—When they are received and when they are remembered.

## *Be Thankful*

Be thankful that you don't already have everything you desire. If you did, what would there be to look forward to?

Be thankful when you don't know something, for it gives you the opportunity to learn.

Be thankful for the difficult times. During those times you grow.

Be thankful for your limitations, because they give you opportunities for improvement.

Be thankful for each new challenge, because it will build your strength and character.

Be thankful for your mistakes. They will teach you valuable lessons.

Be thankful when you're tired and weary, because it means you've made a difference.

It's easy to be thankful for the good things. A life of rich fulfillment comes to those who are also thankful for the setbacks. Gratitude can turn a negative into a positive. Find a way to be thankful for your troubles, and they can become your blessings.
